

Mini Meadow Campaign

2010 map

This is our map of Nottinghamshire for the 2010 Mini Meadow campaign.

Each of the pink flowers represents a Mini Meadow, planted by a member of the public using our FREE wildflower seeds.

This is only a selection of the Meadows that were planted - in total we gave away 15,000 seed packs!

Visit www.nottinghamshirewildlife.org/campaigns to find out how to claim your 2011 pack.
