

## Green Birthday Parties at Idle Valley

The Idle Valley Nature Reserve is a great place for birthday celebrations and adventures at all times of the year. We aim to be outside regardless of the weather however, if the weather should be particularly bad we can come inside and enjoy games and activities

Parties are held on weekends throughout the year with morning and afternoon options.

The outdoor activities last for approximately 1.5 hours, followed by time to have your lunch.

## Sessions on offer

### 4 to 6 years olds

**Pond Adventure:** Find out what lives in our pond and then play some fun animal games in the woods. ( not suitable for the winter months)

OR

**Mini beast Adventure:** Go on a minibeast hunt and make a piece of animal art to take home with you.

### 6 to 8 years old:

**Water Explorers:** Go pond dipping and discover who we share our nature reserve with! ( not suitable for the winter months)

OR

**Survival and Shelters:** Have you and your friends got what it takes to survive in the wild? Build shelters and learn how to hide from sight in seconds!

### 8 to 11 years old

**Wildlife Expedition:** Use your map to find the clues to reveal the mystery animal, unscramble the Creatures Code, and make a piece of mud art.

OR

**Wild campfires:** Build a campfire and toast marshmallows and make toast!

Create sculptures and pictures using natural materials found in the woods.

### **Party lunch box**

- Sandwiches
- A piece of fruit
- Orange juice or water
- A flapjack bar
- Milk pudding or jelly

Mystery free gifts are provided in the lunch box as a 'party bag'. Please bring your own birthday cake if required and we will happily slice it for you and add it to be party box.

## Terms and Conditions

We require a minimum of three adults to attend the party who are responsible for discipline and welfare of all the children at all times, including supervising toilet breaks.

We will provide a member of staff to lead all the activities.

As the activities will take place outside on the Reserve, please make sure that children and accompanying parents are dressed appropriately for their visit.

In wet weather the paths and woodland area can be muddy so it is advisable that they wear suitable footwear as well as waterproofs. In the summer we advise that children bring sun cream with them.
