Go Electric, Go Green, Give Back

Welcome to the Trust!

By becoming a member of Nottinghamshire Wildlife Trust you will help look after local wildlife and the amazing wild places in your area. You'll support us in our work to inspire people about nature, including working with local schools and communities.

We care for nature reserves and deliver conservation and education work across the county of Nottinghamshire, from Worksop to West Bridgford, from Retford to Rainworth.

Everybody's experience with wildlife is personal, and joining Nottinghamshire Wildlife Trust can help you to discover more about nature in your local area.
