Skylarks Nature Reserve

- * **Saturday 26th January** 10am till 1pm - lets tackle the mound! Remove all bramble and self set trees so we can see wildflowers growing here again soon
- * **Saturday 23rd February** 10am till 1pm - Sycamore removal, clear mound area ready for seed setting
- * **Saturday 23rd March** 10am till 1pm - prepare ground and broadcast wildflower seed—weather dependant
- * **Saturday 28th April** 10am till 1pm - Freshwater invert ID and water quality testing
- * **Saturday 18th May** 10am till 1pm - Site clean, litter pick and path clearance ahead of the big camp out
- * **Saturday 15th to Sunday 16th June**- The Big Wild youth Camp
(more information will be provided about this weekend)
